A419 Blunsdon Bypass

The Blunsdon bypass is nearing completion and there will be temporary diversions at various times. **Keep a look out for temporary & new road signs to Blunsdon.**

From the South

Leave the M4 at Junction 15 and take the A419 heading for Cirencester for approximately 7 miles. Leave the A419 at Turnpike Junction and turn right at the traffic lights signposted Blunsdon / Highworth (B4019). After 300 yards turn right at the next set of lights (signposted B4019) and continue forward over the bridge. At the mini roundabout turn left for Blunsdon, then right into the village. The hotel is situated on the left just off the high street.

From the North

Leave the M5 at Junction 11a and follow the A417 / A419 for Cirencester / Swindon. Continue along the dual carriageway and after approximately 26 miles leave the A419 signposted for Swindon. Turn left at the top of the slip road and then left at the mini roundabout signposted Blunsdon. Turn right into the village and the hotel is situated on the left just off the high street.

From Highworth via the B4019 look for the brown hotel sign as you arrive at Blunsdon, immediately turn right into the village, left at the signpost, then continue along the High Street, we are on the right 200 yards after the pub.

From Oxford Take the second exit off the roundabout after 'Sainsbury's' onto the A419 heading for Cirencester. Leave the A419 at Turnpike Junction and continue directions above 'From the South'.

Please refer to the Highways Agency Map or telephone prior to arrival for the latest update.
